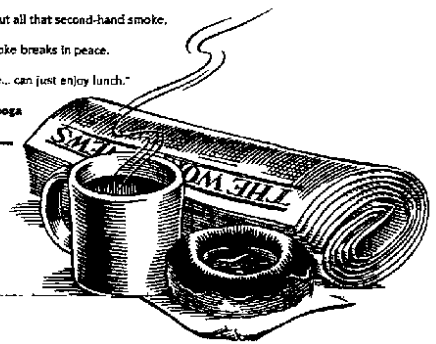
"I look forward to my smoke breaks. Problem is, my nonsmoking coworkers don't. So I tried Eclipse. It took me a couple of days to get used to, but now, it's all I buy. Without all that second-hand smoke, I can enjoy my smoke breaks in peace. And everyone else... can just enjoy lunch."
Terry H., Chattanooga



Terry enjoys his smoke breaks in the lunchroom. And thanks to Eclipse, so does everyone else.

All over Chattanooga, there are many true stories like Terry's as thousands of smokers discover Eclipse. It's the only cigarette in the world with almost 90% less second-hand smoke,* no ashes, no lingering odor and practically no staining.
